

**Sri S. M. KRISHNA.**—Sir, usually the Short Notice Questions will be disposed of within ten or fifteen minutes. I request the Speaker to take up the next item on the agenda. We have already spent 90 minutes over Questions. Sri M. V. Krishnappa, who was in the Parliament for ten or twelve years, would bear me out that even there the Question Hour will not go for 80 minutes.

**Mr. SPEAKER.**—I understand the members. Let them not think otherwise, All that I want is that we must go to the tea table before I take up any other work. Now the House will adjourn for half an hour.

[**MR. SPEAKER** in the Chair]

### MOTION OF NO-CONFIDENCE IN THE COUNCIL OF MINISTERS.

*Leave to move the Motion.*

**Sri S. SIVAPPA** (Leader of the Opposition).—I beg leave of the House to move the following motion :

**Mr. SPEAKER.**—There are a few members who have given notice of this motion :

“That this House has no confidence in the Council of Ministers.”

The Leader of the Opposition has sought the leave of the House to move it. Those who support the motion may kindly stand.

(33 members stood up.)

There are 33 members in support of it. So now the Motion stands admitted.

Time will have to be allotted. If it is possible for the Leader of the Opposition and the Leader of the House and the Whips to come to any understanding, they may kindly tell me as soon as I get up at the end of the day. Then I would like to deal with this matter of reconciling the work load that has converged either by accident or otherwise. There are certain Bills. They have to be dealt with and the non-official day has to be accommodated and time has to be found for this motion which stands admitted. I will try to see what best can be done. We will first finish the partly-discussed Bill.

Before that there is a call attention notice given by Sri S. Rajagopal. It may be taken up.
